Ground RulesTM

- The studio rent will start at the booking time declared by the client, not at the actual time the shoot starts. Rental time ends when the last person in the group walks out of the studio. Please keep this in mind when planning your shoot.
- Please declare the exact number of guests who will be visiting the studio beforehand.
- **Shoes**, drinks, and edibles are not allowed inside the studio.
- The client is completely responsible for whatever happens during the shoot, regardless of who may have caused any damages. The client will be charged for any damages incurred. Damages incurred to any part of the studio/sets will be charged based on actual costs.
- If the next client has reserved the studio, you are required to leave the studio at the end of your scheduled time slot.
- A grace period of 20-30 minutes is allowed for pack-up. However, if this period exceeds 30 minutes, full hourly charges will be applied.
- The use of paint, flour, or any other form of powder/colour is prohibited in the studio.
- Smoking is not allowed inside the studio.
- Nothing is allowed to be kept outside the studio in the common areas.
- Any equipment or goods left by the client in the studio after their booking ends will be kept at the client's responsibility and should be collected within a maximum of 4 hours from the end of the booking time.
- Sets are not to be used as a sitting or waiting area. They are meant only to be used during shoots.
- If the client has not booked a set, they will not be given access to the sets or to the items kept within the set. Selfies are also not allowed unless the sets have been booked. Any transgressions with regards to the sets will be charged as booking for that set.
- The studio is located on the 3rd floor and there is no luggage lift in the building. The normal passenger lift can be used for taking bags and other small items. However, no lights, stands, or props are allowed to be taken via the lift.
- Data and data loss will not be responsibility of the studio team. Please check your data and take the copy of your data before you leave the premises. Storage is only available at extra cost.
- Kindly escort your guests yourself. Please do not ask the team to fetch your guests for you. This neither appreciated by your guest nor by our team who are already occupied with flawless execution.
